3	27.06.2023	Research Projects and Publications	<ul style="list-style-type: none"> The research committee initiated discussions to promote faculty and student research activities. A call for research proposals was issued, and departments were encouraged to apply for government and private funding opportunities. Faculty members were encouraged to publish in peer-reviewed journals and participate in conferences. 	<ul style="list-style-type: none"> Several research projects have been approved and are in progress. Multiple research papers have been submitted for publication, and some have already been accepted for peer-reviewed journals.
4	03.08.2023	Review of Previous Meetings and Action Taken Report	<ul style="list-style-type: none"> The previous meeting's minutes and ATR were reviewed by the heads of departments and relevant stakeholders. All pending issues from the last meeting were addressed, and action points were closed out. 	<ul style="list-style-type: none"> The previous meeting's outcomes were successfully implemented, with no pending actions. Departments have provided feedback on the execution of previous plans.
5	03.08.2023	To Decide the Plans for AQAR Documents Preparation	<ul style="list-style-type: none"> A task force was constituted to oversee the preparation of the Annual Quality Assurance Report (AQAR) for the year 2023-2024. Departments were assigned specific tasks related to AQAR documentation, and deadlines for submission were set. 	<ul style="list-style-type: none"> Preliminary work on AQAR preparation is underway. Data collection for AQAR has been initiated by all departments.

6	03.08.2023	Perspective Plan for the Departments' Quality Initiatives	<ul style="list-style-type: none"> A meeting was conducted with all department heads to discuss their quality initiatives for the academic year. Each department was asked to prepare a perspective plan outlining their quality enhancement goals, including faculty development, curriculum design, and student feedback mechanisms. 	<ul style="list-style-type: none"> All departments have submitted their perspective plans, which have been reviewed by the IQAC. Quality initiatives, such as curriculum revision and faculty training, have already begun in several departments.
7	30.09.2023	Internal Audit of IQAC Plans	<ul style="list-style-type: none"> An internal audit of IQAC plans for the year was conducted to ensure alignment with institutional goals and national quality standards. A checklist was created for departments to ensure compliance with IQAC guidelines. 	<ul style="list-style-type: none"> The internal audit revealed that most departments are adhering to IQAC plans, with minor adjustments needed in a few areas, particularly in student satisfaction surveys. Corrective actions are being implemented, and progress will be reviewed in the next meeting.
8	30.09.2023	Submission of Documents of All Academic Activities by Departments for the Year 2023-2024 to IQAC:	<ul style="list-style-type: none"> Departments were reminded to submit documentation of all academic activities, including seminars, workshops, student achievements, and any other academic events held during the year. A centralized system for submission was created for easy tracking. 	<ul style="list-style-type: none"> Several departments have submitted their documentation, and the IQAC is compiling the information for future accreditation purposes. Some departments are in the process of finalizing their reports, with a deadline set for the end of this month.

9	01.11.2023	Collection of Data Regarding Research Scholars	<ul style="list-style-type: none"> Data on research scholars (PhD and M.Phil) were collected, including their research topics, guides, and current progress. Departments were instructed to update their research scholar records in the central database. 	<ul style="list-style-type: none"> A comprehensive report on research scholars has been compiled and submitted to the administration. An updated database is now available for future reference and reporting.
10	01.11.2023	E-Content Development	<ul style="list-style-type: none"> A task force was set up to focus on developing e-content for various courses, including video lectures, e-books, and interactive modules. 	<ul style="list-style-type: none"> E-content for several courses is already available on the website. Additional content development is ongoing, with specific emphasis on updating and expanding the resources available for students.
11	25.01.2024	Submission of NIRF Proposal	<ul style="list-style-type: none"> The NIRF (National Institutional Ranking Framework) proposal was prepared, with inputs from all departments, focusing on key metrics like teaching-learning resources, research, and infrastructure. A review meeting was held to finalize the proposal, and it was submitted by the stipulated deadline. 	<ul style="list-style-type: none"> The NIRF proposal was successfully submitted, and we are awaiting feedback for ranking consideration. Departments will continue to monitor and track the metrics for future submissions.

Extend the Research facilities available at the Department of Computer Science, Don Bosco College, Athiyaman Bypass Road, Sogathur Post, Dharmapuri District and Department of Computer Science, Don Bosco College of Arts and Science, Keelaeral, Thoothukudi (Dt) and to the staff, Researchers and students of both the Departments.

Designated Representatives

The HOD of Computer Science, Don Bosco College, Athiyaman Bypass Road, Sogathur Post, Dharmapuri District, and The HOD of Computer Science, Don Bosco College of Arts and Science, Keelaeral, Thoothukudi (Dt) will administer the implementation of this MoU. All requests and initiatives for collaborative activities should be made through them.

Commencement, Validity, Modification and Discontinuation

- The collaborative activities under this MoU commence upon signature.
- The MoU will remain valid for Five years from the date of signing and is renewable on mutual consent for such further period as agreed upon.
- This MoU may be modified in writing by mutual consent of the participating departments.
- Either party may terminate this agreement on written notification. Such notification must be given at least three months before the proposed date of termination.

General considerations

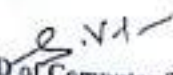

- This MOU does not create any legally binding obligations.
- The conduct of collaborative activities contemplated under this MOU is subject to the availability of funding, personnel, and availability of other resources.
- This agreement does not imply any financial commitment upon both the Departments. Each participant is responsible for the cost that occurs in participating in cooperative activities under this MOU. If there is any financial consideration, it will be dealt with through a proper process, if required.
- Any dispute arising out of this agreement will be settled by mutual negotiations between the respective Heads of the Departments.
- The intellectual property rights (IPR) that arise as a result of joint research and collaborative activity under the agreement will be worked out on a case-to-case basis and will be consistent with the officially laid down IPR policies of both institutions.

ARTICLE 1. Both the departments agree to promote joint teaching, research and other academic activities as aforesaid in the objectives and technical area of collaboration for mutual benefit.

ARTICLE 2. This agreement will be effective for a period of three years from the date of its signing and the renovation will be requested for the next period unless otherwise specified by the signing departments.

ARTICLE 3. This agreement does not imply any financial duty upon both the departments.

ARTICLE 4. Either party may terminate this agreement on written notification. Such notification must be given at least six months prior to the proposed date of termination. If the present agreement is terminated, both parties must guarantee to facilitate the completion of the projects and initiatives already in progress.

ARTICLE 5. The intellectual property rights (IPR) that arise as a result of joint research and collaborative activity under the agreement will be worked out on a case basis and will be consistent with officially laid down IPR policies of the two institutes.

DON BOSCO COLLEGE OF ARTS AND SCIENCE

Accredited with 'B' grade by NAAC (1st Cycle)

Affiliated to Manonmaniam Sundaranar University, Tirunelveli

KEELA ERAL, THOOTHUKUDI (DT) - 628 908

GOALS:

- To maintain unique Academic Excellence.
- To inculcate academic ethics.
- To equip the students with global competencies.
- To bring out the inner power and potential in youth and channelize them towards nation-building.
- To engage in relevant research activities.
- To promote community-oriented programmes.

Goal 1: to maintain unique Academic Excellence

Short-Term Goals:

- Implement regular assessments and feedback mechanisms to track student performance.
- Establish a mentoring system for students to foster academic growth.
- Develop specialized workshops or seminars focused on advanced learning techniques.
- Create a well-rounded curriculum that blends theoretical knowledge with practical skills.

Long-Term Goals:

- Build a reputation as a leading institution in academic excellence both nationally and internationally.
- Achieve continuous improvement in academic rankings and student success metrics.
- Establish partnerships with top universities and research organizations to foster academic exchange programs.
- Cultivate a tradition of high-achieving graduates who contribute significantly to their respective fields.

PRINCIPAL
Don Bosco College of Arts & Science
KEELA ERAL

PRINCIPAL
Don Bosco College of Arts & Science
KEELA ERAL

Goal 2: To inculcate academic ethics

Short-Term Goals:

- Introduce academic integrity workshops that emphasize the importance of honesty, responsibility, and ethical behavior in studies.
- Create a code of conduct for students and faculty that clearly outlines expectations for academic integrity.
- Promote an environment that discourages plagiarism and unethical practices through educational initiatives.

Long-Term Goals:

- Foster a culture where academic ethics are central to the institution's identity.
- Establish a sustainable system for detecting and preventing academic dishonesty.
- Develop alumni who advocate for ethical academic practices in their professional lives.

Goal 3: To equip the students with global competencies

Short-Term Goals:

- Introduce global perspectives into the curriculum through courses on international relations, intercultural communication, and global economics.
- Organize international exposure programs, including internships, study tours, and virtual exchange programs.
- Provide language learning opportunities and soft skill development to enhance global competencies.

Long-Term Goals:

- Create a network of international partnerships with universities and organizations to facilitate student exchange and collaborative research.
- Ensure that graduates are well-equipped to succeed in diverse global environments, with high employability in international markets.
- Establish the institution as a hub for global learning and innovation.

PRINCIPAL
Don Bosco College of Arts & Science
KEELA ERAL

PRINCIPAL
Don Bosco College of Arts & Science

Goal 4: To bring out the inner power and potential in youth and channelize them towards nation-building

Short-Term Goals:

- Establish student leadership programs that encourage critical thinking, problem-solving, and social responsibility.
- Organize community service and outreach activities to instill a sense of responsibility towards nation-building.
- Create workshops and motivational sessions to help students discover their potential.

Long-Term Goals:

- Develop a generation of leaders who actively contribute to the social, economic, and political advancement of the nation.
- Create a network of alumni who are committed to nation-building through entrepreneurship, leadership, and social activism.
- Foster a long-lasting tradition of civic engagement within the institution.

Goal 5: To engage in relevant research activities

Short-Term Goals:

- Set up research workshops, conferences, and seminars that encourage student and faculty participation in cutting-edge research.
- Provide seed funding and support for student and faculty-led research projects.
- Establish interdisciplinary research groups focused on contemporary global challenges.

Long-Term Goals:

- Develop a reputation for producing high-impact, interdisciplinary research that addresses global and national issues.
- Publish research in top-tier journals and collaborate with renowned global researchers.
- Secure funding for large-scale, long-term research projects and create a research institute within the institution.

PRINCIPAL
Don Bosco College of Arts & Science
KEELA ERAL

Goal 6: To promote community-oriented programs

Short-Term Goals:

- Establish partnerships with local communities to identify areas of need and address social issues through volunteer work and development projects.
- Organize outreach programs where students actively engage with communities on education, health, and environmental sustainability.
- Host workshops, events, and talks that raise awareness of societal issues and encourage student involvement in community development.

Long-Term Goals:

- Develop a sustainable model for community engagement that integrates students, faculty, and local organizations.
- Establish community-oriented initiatives that have a long-lasting impact on local and national development.
- Create a legacy of social responsibility within the student body that extends far beyond graduation.
