POLICY DOCUMENT FOR DISABLED-FRIENDLY, BARRIER FREE ENVIRONMENT

A National disability policy was released by the Indian government. Due to the importance of creating a barrier-free environment for the differently abled and its focus on the educational rehabilitation of people with impairments. **Don Bosco College of Arts and Science, Keela Eral** has implemented these policies in the teaching and learning process which acknowledges that individuals with disabilities are a crucial source of human capital for the organization and aspires to create an environment that provides them with equal opportunity, upholds their rights, and enables them to fully engage in the educational setting. The main central point of the policy is as follows:

- ✓ To assure that the architecture of the buildings, such as the ramp lift, is accessible to individuals with disabilities.
- ✓ To guarantee that disabled individuals have access to restroom facilities that is functional, safe, and gender-sensitive.
- ✓ For ensuring the presence and accessibility of the necessary text and pictogram signage, such as tactile walkways, lighting display boards, and sign points.
- ✓ Students with disabilities need enough and appropriate help both inside and outside of the classroom. This support should include the right materials, assistive technology, and supportive administration, faculty, and student communities.
