THE TRICHY DON BOSCO SOCIETY REACHES OUT IN SOLIDARITY

Dear Friends and Well Wishers of Don Bosco,

The unprecedented rains from December 17th to 18th 2023 wrecked havoc in four of southern districts - Tirunelveli, Thenkasi, Kanyakumari and Thoothukudi. The flooding caused immense suffering to people in all four districts.

THE TRICHY DON BOSCO SOCIETY was on the forefront to reach out to those affected by floods. We began small but help flowed in from all directions. At this juncture, we gratefully remember our donors, agencies and the team of volunteers for the service rendered to those in need.

DBCAS stands apart from others when it comes to blending knowledge with social responsibility. We are indebted to everyone who chipped in their might to alleviate the suffering of the flood victims. I am glad to present here the sketch of our outreach activities.
