The Committee discussed the feasibility of implementation of Continuous Assessment of Practicals and recommended the following structure:

The practical examinations for both UG and PG will be conducted on Continuous Assessment and 25 marks will be equally distributed to all practicals (i.e. number of practicals prescribed as per syllabus) and two tests for 25 marks will be conducted. Average of the two tests will be taken. A single practical will be given for 50 marks at the end semester and the same will be selected by students on lot basis in the second phase for final assessment.

For UG courses:

Phase of Examinations	Marks	Practical
Phase I - Continuous Assessment (June to February)	**Total – 50** **Continuous Assessment** - 25 marks **Test** – 25 marks. Two tests should be conducted and average of tests will be taken	"N" number of practicals be conducted based on the practicals prescribed in the syllabus and the marks should be distributed equally for each practicals. There is no passing minimum in the Internal Continuous Assessment.
