Accredited with 'B' Grade by NAAC (1st Cycle)

(Affiliated to Manonmaniam Sundaranar University – Tirunelveli)

ECO CLUB

AUGUST MONTH REPORT

Date: 24, August, 2024

Subject: Cleaning Drive for First-Year Eco Club Students.

Time : 11:15 AM to 01:00 PM

On August 24, 2024, Don Bosco College of Arts and Science conducted a comprehensive cleaning drive, engaging all first-year Eco Club students in an effort to enhance the cleanliness and environmental awareness on the college campus. This initiative underscored the institution's commitment to promoting sustainability and fostering a sense of responsibility among students.

The event commenced with an orientation session led by the Eco Club coordinator, who provided an overview of the day's activities and emphasized the importance of maintaining a clean and healthy environment. Armed with brooms, dustpans, and waste bags, the students were divided into teams and assigned various areas of the campus to focus on.

Gardens and Green Spaces: The Eco Club members also focused on tidying up the college's gardens and green spaces, removing debris and ensuring that these areas remained inviting and well-maintained.

At the conclusion of the cleaning drive, a brief assembly was held to acknowledge the students' hard work. The college administration expressed their appreciation for the students' efforts and highlighted the positive impact of such activities on both the campus and the broader community.
