CLEANING DRIVE REPORT - ECO CLUB

Date :18, December, 2024

Subject: Campus Cleaning Drive

Time : 11:00 AM to 1:00 PM

The Eco Club of Don Bosco College organized a campus cleaning drive on December 18, 2024, from 11:00 AM to 1:00 PM, involving all first-year Eco Club members. To ensure smooth coordination, students were divided into two groups with designated timings and assigned specific areas of the campus by the Eco Club coordinator.

The first group, comprising BCA, B.A. Tamil, and B.A. English first-year students, participated from 11:00 AM to 12:00 PM, while the second group, consisting of first-year B.Com and BBA students, worked from 12:00 PM to 1:00 PM. The event began with an orientation session led by the Eco Club coordinator, who outlined the day's activities and emphasized the importance of maintaining a clean and healthy environment. Equipped with brooms, dustpans, waste bags, gloves, and masks, the students were divided into teams and assigned different areas of the campus to clean.

Gardens and Green Spaces: Special attention was given to the college's gardens and green spaces. Eco Club members worked on clearing debris, removing unwanted growth, and ensuring that these areas remained clean, well-maintained, and inviting.

The cleaning drive was a successful initiative, contributing to a cleaner and more pleasant campus environment.
