

Inspiring Minds: Popularization of Science Through Engaging Presentations

On 9/10/2024, the Department of Computer Applications, supported by TNSCST, organized a session on the "Popularization of Science" to inspire students with a better understanding of science. The event featured Dr. B. Makesh Kumar as the chief guest, who delivered an engaging session through insightful video presentations. Dr. K. Prabu also contributed as a guest, providing valuable knowledge to the attendees. The presentations were both informative and captivating, offering students a meaningful opportunity to connect with scientific concepts in an enjoyable way.

On 10/10/2024, the Department of Computer Applications, supported by TNSCST, continued the session on the "Popularization of Science." The day's events were led by Dr. G. S. Vijayalakshmi as the chief guest, along with Dr. P. Thirumaran, who had the important role of addressing the students. The session concluded with a valedictory function and the distribution of certificates, marking a successful and engaging conclusion to the event.

About DBCAS:

The Salesians of Don Bosco (SDB) is an international religious order founded by St. John Bosco, a 19th-century Catholic priest known as the "Father and Friend of Youth." Dedicated to serving young people, especially those facing poverty and neglect, the Salesians aim to inspire, empower, and transform youth into agents of social change. With over 18,000 members in 132 countries, their mission extends to educational institutions worldwide, including more than 1,000 in India.

Don Bosco College of Arts and Science: A Beacon of Empowerment for Rural Youth:

The Salesian Province of Trichy, Tamil Nadu, established Don Bosco College of Arts and Science (DBCAS) in Keela Eral to provide quality higher education to marginalized rural youth. The college embodies the Salesian vision of education, promoting knowledge, values, and social transformation. The college logo—featuring an open book and a youth holding a torch—symbolizes enlightenment and empowerment.

dbcas.edu.in hodbca@dbcas.edu.in

The poster features the TNSCST logo on the left and the Government of Tamil Nadu logo on the right. At the top center, it reads "TAMILNADU STATE COUNCIL FOR SCIENCE AND TECHNOLOGY" in English and "தமிழ்நாடு அறிவியல் தொழில்நுட்ப மாநில மன்றம்" in Tamil. Below this is the Don Bosco logo with the motto "ENLIGHTEN AND EMPOWER". The main text reads "DON BOSCO COLLEGE OF ARTS & SCIENCE KEELA ERAL" followed by accreditation details: "(Accredited with 'B' Grade By NAAC) Affiliated to Manonmaniam Sundaranar University- Tirunelveli Keela Eral, Thoothukudi, Tamilnadu". The organizing department is "Department of Computer Applications" and the event is "TNSCST Popularization of Science" held on "OCTOBER 9TH AND 10TH 2024" at "TIME: 9:45 A.M" and "VENUE: AV HALL". The background is light blue with faint scientific icons like a DNA helix and a microscope.

About TNSCST:

To identify areas for the applications of Science and Technology to the development needs, objectives and goals of Tamil Nadu, and in particular, to the prevailing conditions of backwardness, rural unemployment and poverty.

To advise Government on the formulation of policies and measures including technical, administrative and legal devices which will promote such application to identified needs, objectives and goals - in particular to health, education and manpower utilization with special emphasis on the development of human skills in the rural areas and in the slums, and which will promote the scientific management of the natural resources of the State.

9th October 2024
